A Letter from the Director

I know I say this every year, but this cast is amazing! I love watching them sing and dance with smiles on their faces! They take direction so well. They also all have wonderful ideas about their characters! I always tell them, if you have an idea, share it with me and we can try it! If it works, great, if not, we discuss why it doesn't work. I appreciate that they are trying to put themselves into the character! This is a learning experience for everyone, including me!

Thank you to our wonderful music director for helping the students really understand the music they are performing.

Thank you parents for sharing your wonderful children with me over these last 3 months!

To my crew: Gretchen, thanks for all the hard work you put into the props and leading the team on stage with Thomas and the rest of the crew. I appreciate all of your ideas and creativity and knowledge you put into your role.

To my choreographers: Lauren, Emily and Caroline, thank you once again for your amazing work with the kids! You have such wonderful ideas! Your enthusiasm is infectious and the cast really love you! You can tell by the look on their faces. Your patience and energy make this so special to watch. Couldn't be prouder!

To my assistant directors and designers: Lucas and Jackson, you two have such a great way with the cast. I love your input when we are blocking. I love how well you two worked on designing the posters and programs. I am so proud of you both!

To the rest of the crew especially Thomas for helping out at rehearsals and building your skills at stage managing.

I am honored that so many of you have come back to work with me after heading to high school! I treasure that respect and appreciate you all! Thanks for helping to wrangle the students at rehearsals.

To my costume and hair and make up crew, especially Katrina Wilcox Hagberg! All the work that you all have put into this show has blown me away! From the costume and hair and make up plots to the incredible seamstress work! You make this show spectacular!

Thank you to my husband for all of your support and the work on the programs! Thanks for your patience during the tech weeks! I have no idea what we're eating and when over these weeks but you should be used to it by now! I love you! Thanks to my girls for getting me involved in school theater! I am so proud of both of you! Thanks to my new kitty, Jasmine Fiona, for the purrs that help me relax after a long day!

Remember: "What Makes Us Special, Makes Us Strong!"

Special thanks to Mr. Everhart, Ms. Drohan, and Jenna and Vivianne in the office and the entire staff of Littleton Middle School for your support of these kids!

Thank you to all the wonderful student and parent volunteers for making all of this possible!

Thanks to the Hirtle Family, Clark Family, Wright Family, Noland Family, Abbinanti Family, and all the other families for all of your support.

Tracey O'Neill
